THE CHRONICLE OF
PAGAN

A treatise on the
Glorious History of this
Foremost Society

There is little in the
world more refreshing to
me than knowledge. I
remember in my youth
hearing tales of legendary
times, unexplored places
and fantastic beasts. I
constantly pestered my
parents and instructors
with an endless number
of questions. How does
this work? Why did they
act in such a manner?
Where can I find these
plants? My thirst for
information was -- nay,
still is -- insatiable. I
spent hours at a time
investigating all I could
about my surroundings.
Unfortunately, as I
realized early in life, I
lacked much in the way
of physical prowess,
making exploration
difficult.
Imagine my pleasure when
I discovered that not only
did life itself teach me
things great and
wonderous, but the myriad
ancient tomes could offer
nearly as much. It was
then that I elected to
dedicate this humble life
to filling my mind and
library with all the
knowledge I could. Thus, I
humbly add these words
to the collection of
wisdom that already fills
the multitude of

bookshelves throughout
the land. I hope my work
may someday imbue
curiosity into the hearts
of others.
